A close-up, low-angle shot of a person in a black wetsuit swimming in the ocean. The person's head and shoulders are above water, and their arms are extended forward, creating a splash. The water is a vibrant blue-green, and the background is a bright, hazy sky. The overall mood is one of action and adventure.

*The way to get started
is to quit talking and
begin doing.*

Timeline

To start a presentation, go to the Slide Show tab, and select From Beginning.

To display Presenter view, in Slide Show view, on the control bar at the bottom left select the three dots, and then Show Presenter View.

During your presentation, the speaker notes are visible on your monitor, but aren't visible to the audience.

The Notes pane is a box that appears below each slide. Tap it to add notes.

If you don't see the Notes pane or it is completely minimized, click Notes on the task bar across the bottom of the PowerPoint window.
